

# SCORING ON IPAD WITH BASKETBALL CONNECT APP

## SELECT GAME

From the Basketball Connect home screen, select the game to be scored.

## SELECT PLAYERS

Tap **Player attendance not set**, or the **Settings icon**  at top right corner, then **Team Selection**. Tap on circle icon on the right of player's name to add them to the game, an orange tick will appear. Once all players have been selected, tap **Confirm** button at bottom of page then tap other team and add players to the game, **Confirm** then **Done**, top right.

You may have to add or edit player numbers. Tap on player's name, type in number and select **OK**. This prompt will also show if there is no player number listed.

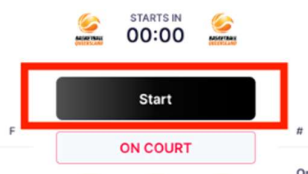

If a player does not appear in the **Team List** you need to let the court controller or referee know and they will determine whether the missing player can be added to the team list.

If adding a player after the team lists have been confirmed, click on **Setting icon** then **Team Selection** then at the bottom of list of selected players, tap on **Link to Team List**. This will show all registered players for the team.

## SCORING THE GAME

### Game Clock - Start/Stop

Start the game clock by tapping on **Start**. The clock will start running and button will change to **Stop**. Press at any time to stop the game clock.

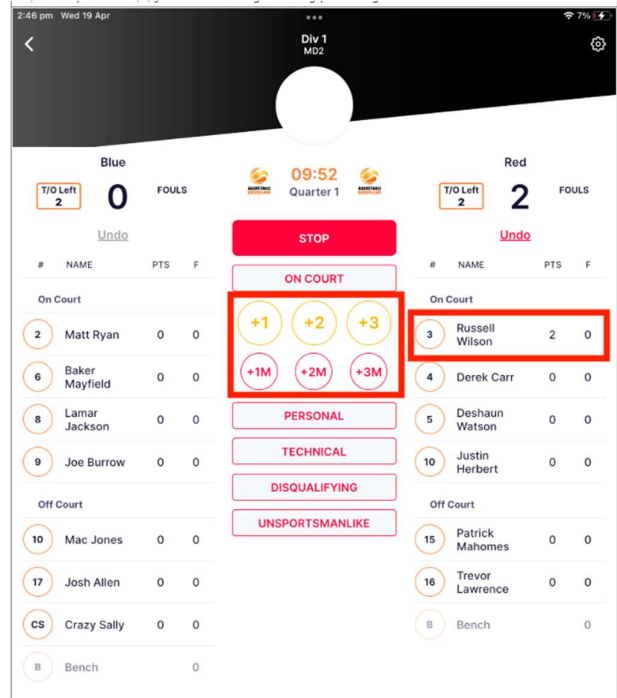

### Change Team Colour

Tap Team icon and select the relevant colour, then **Save**

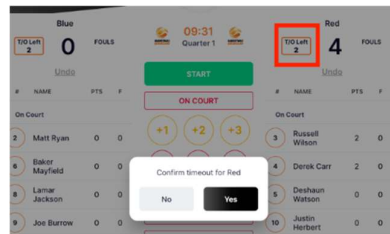

## Adding Points and Fouls

- To add scores and fouls select the player's number first and then select +1, +2, +3 or foul.
- This sequence can also be done by selecting +1, +2, +3 or foul then player's number
- Fouls can be Personal, Disqualifying, Technical or Unsportsmanlike.
- We don't use the +1M, +2M, +3M missed shots buttons.

## Time Outs

To record a time out tap on **T/O Left** box for the relevant team  
**Yes** to confirm

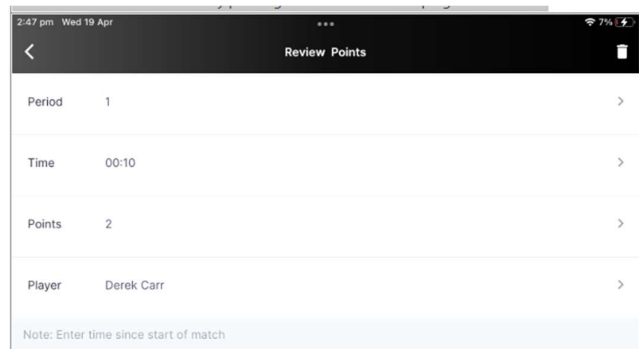

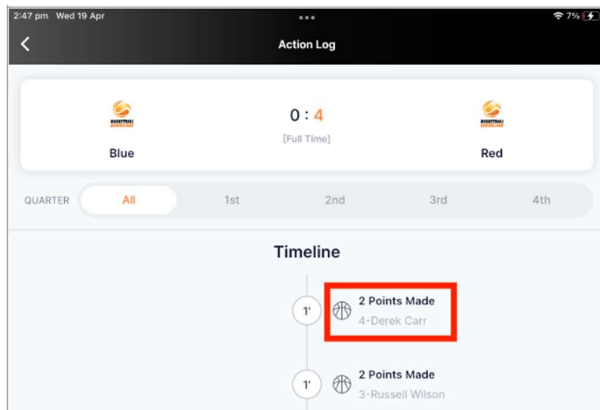

## Correcting Mistakes

If you discover an error immediately, select the **Undo** button for the relevant team. This will cancel the last action.

For earlier error, tap on the **Setting icon** (top right) then select **Action Log** menu.

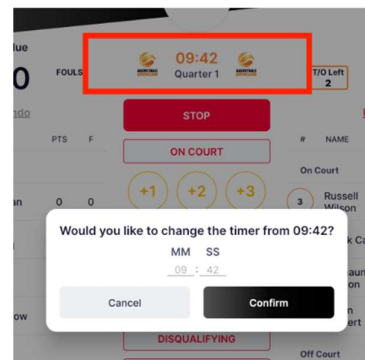

**PLEASE NOTE: YOU CAN ONLY EDIT THE ACTION LOG IF GAME CLOCK IS STOPPED.**

If you tap on an entry in the Action log you will see a menu where you can edit such items as **Period, Time, Point Count, Player**. You can also delete the record by pressing the **bin icon** in the top right-hand corner. If you want to edit any of the points/fouls, simple tap on that entry in the action log below then tap on what is to be changed.

## Adjust the Time

You can adjust the time on the game clock by tapping on clock, adjusting to correct time then **Confirm**.

## Confirm Quarter Time and End of Game Scores

Pop-up boxes appear at the end of each quarter and at the end of the game to confirm whether the scores are correct or not, **Yes** if correct.

If score is not correct and you need to make changes, you can simply press **No** and make any changes to the score (and in the action log) as needed.

Once game is correct, just close the game by pressing the back arrow up the top left-hand corner.

If you did not confirm scores on the previous page, you will see now that on the home page there is a yellow bar on the game panel that says **Verify Action Log**. Click on this to confirm the score.

The screenshot shows a basketball game interface for Div 1 MD2. The game is in the 1st Quarter Break with 00:59 remaining. The Blue team has 0 points and 2 fouls, while the Red team has 4 points and 2 fouls. A confirmation pop-up is displayed in the center, asking to confirm the 1st quarter score: Blue : 0, Red : 4. The pop-up has 'No' and 'Yes' buttons. The background interface includes player lists for 'On Court' and 'Off Court' for both teams, and various action buttons like '+1', '+2', '+3', '+1M', '+2M', '+3M', 'PERSONAL', 'TECHNICAL', 'DISQUALIFYING', and 'UNSPORTSMANLIKE'.
